

Rum Runner Dive Shop

Extended In-House Warranty

Each manufacturer offers its own warranty. Some are two years some are limited lifetime. The length of the warranty has little to do with the quality of the gear, but more on the price the manufacturer charges. At Rum Runner we feel we sell only the best brands and we are prepared to stand behind it. We will extend the manufacturers warranty against manufacturing defects up to five years under the following conditions:

1. This is offered to the original purchaser only and is not transferable.
2. The article had to be purchased new at Rum Runner Dive Shop.
3. This warranty covers regulators, gauges, computers and BCD's manufactured by Scubapro, Genesis, Sherwood, OMS, Atomic Aquatics and Ocean Reef.
4. Annual service at Rum Runner must be maintained per the manufacturers recommendations. The cost of this service is not covered.
5. Hoses, mouthpieces, batteries, and annual service parts are not covered.
6. Failure due to misuse, abuse or neglect will not be covered.

This is a Rum Runner warranty and is provided only when not superseded by a manufacturers warranty.
