- Participants will continue to be allowed to register after the date until max capacity is reached.
- The session will be cancelled if the 5-person minimum has not been reached by the registration deadline.

Description:

BECOME A CITIZEN SCIENTIST AND OCEAN GUARDIAN! Campers will be introduced to the underwater world through activities such as snorkeling and games, as well as through engaging in themed presentations about ocean conservation topics. Some of the themes include our National Marine Sanctuaries and *Trash Talk*. Ocean Guardian Camp is centered around educating youth about their marine environment and the problems it faces, and introducing them to methods through which they can help be part of the solution! Participants should bring a bathing suit, towel, lunch, and medicine (if needed). Snorkeling equipment, snacks, supervision, and fun will be provided. If campers wish to bring their own snorkel gear, they are more than welcome to do so.

Age: 6 – 14 years old

Cost: \$450 for the session
\$8/day, in addition to the session cost, for early drop-off at 8:00am

Capacity:

10-person maximum

5-person minimum

Registration Deadline:

Monday, June 12

- Participants will continue to be allowed to register after the date until max capacity is reached.
- The session will be cancelled if the 5-person minimum has not been reached by the registration deadline.

Description:

MAKING SCIENCE AND HISTORY FUN! Campers will explore scientific and historical aspects of North Carolina, including the maritime world. Examples of some of the activities we'll be doing include visiting the Civil War battlefield in New Bern, Queen Anne's Revenge Preservation Lab, Imagination Station, performing scientific experiments in water testing, learning about marine ecology, and much more. Participants should bring a bathing suit, towel, lunch, sandals or water shoes, sun block, bug spray, and medicine (if needed). Snacks, supervision, and fun will be provided. Don't let your young scientists and historians miss out, because there's only one session of this immersive experience occurring this summer. A detailed schedule of activities will be provided to participants and their parents as the session dates approach.

- The session will be cancelled if the 4-person minimum has not been reached by the registration deadline.

Description:

THE COOLEST THING YOU WILL EVER DO!! Become a SCUBA diver and explore the mysterious depths of the ocean! Campers will participate in our Basic Open Water Scuba Diver course and earn their entry level scuba certification. This scuba course normally spans two weeks, but for this special camp session we will be condensing the training into one exciting week where we will be in the classroom for learning, the pool for practice, and the quarry for checkout dives. Participants should bring a bathing suit, towel, lunch, and their learning materials (which will be provided). Don't let your future ocean explorers miss out, because there's only one session of this condensed class occurring this summer. A detailed schedule will be provided to participants and their parents as the session dates approach.
